Abbreviations & Acronyms	ix
Preface.....	1
Executive Summary	3
1 Introduction.....	7
1.1 Plan Purpose.....	7
1.2 Planning Factors	8
1.3 Outline.....	8
1.4 Study Boundaries	9
1.5 Planning Process and Public Involvement	11
1.6 Overview of Previous Planning Documents	11
1.7 Planning Issues.....	12
1.8 Goals and Objectives.....	17
2 Background and Setting.....	21
2.1 Regional Setting	21
2.2 Communities	21
2.3 History and Culture	25
2.4 Economy.....	31
2.5 Environmental Overview	31
3 Transportation Inventory	43
3.1 Existing Highway System	43
3.2 Existing Community Transportation System	107
3.3 Existing Aviation System.....	109
3.4 Existing Major Trail System	143

3.5	Existing Railroad System	147
3.6	Existing River Transportation System	154
4	Resource and Economic Development Impacts	158
4.1	Mineral Industry	158
4.2	Oil and Gas Industry	164
4.3	Alternative Energy	171
4.4	Timber Industry	172
4.5	Agricultural Resources	177
4.6	Tourism	180
4.7	Commercial Fishing	183
5	Forecast	185
5.1	Introduction	185
5.2	Population Projections.....	185
5.3	Highway Traffic Forecasts.....	190
5.4	Aviation Forecasts.....	197
6	Transportation Analysis	213
6.1	Highway Transportation Analysis.....	213
6.2	Community Transportation System Analysis	248
6.3	Aviation Analysis.....	249
6.4	Major Trail System Analysis	278
6.5	Railroad System Analysis	281
6.6	River Transportation System Analysis.....	284
7	Transportation Financing.....	287
7.1	Introduction	287

7.2	Highway System Financing	287
7.3	Community Transportation System Financing	292
7.4	Aviation System Financing	298
7.5	Railroad System Financing	306
8	Recommendations and Implementation.....	309
8.1	Highway System Recommendations.....	309
8.2	Community Transportation Recommendations	317
8.3	Aviation System Recommendations	318
8.4	Trail Recommendations	325
8.5	Railroad Recommendations	326
8.6	River Transportation System Recommendations.....	326
	Table 1-1 Goals and Objectives.....	19
	Table 2-1 Planning Area Community Information*	23
	Table 2-2 Regional Climate Information.....	32
	Table 3-1 Roadway Classification.....	45
	Table 3-2 Highway Truck Percentage	48
	Table 3-3 DOT&PF Statewide Average Crash Rates, 2005.....	51
	Table 3-4 Roadway Segments Identified for Further Analysis	51
	Table 3-5 Alaska Scenic Byways	55
	Table 3-6 Restroom Facilities along Interior Alaska Highways.....	56
	Table 3-7 Highway Capital Project History, 1987-2007	60
